1. The Genesis Authority Seal

This Genesis Authority Deed marks the official 'Launch Zero' of the Unified Finance Hub. It is the final cryptographic seal that activates the Principal's total sovereignty over the \$4.13B treasury. From this second forward, all transactions require the Tesla TSL-3 UWB Handshake and the Principal's registered identity shards.

Technological Sovereignty Confirmed

1. Decentralized Identity: Registered to Marcel Laframboise.
2. Asset Anchorage: Verified \$4.13B across 1,245 tokens.
3. Hardware Gating: Tesla TSL-3 (8GHz UWB) Lock Active.
4. Shadow Rails: Swiss and Singapore Failover Engaged.

GENESIS RECORD: This document is the permanent technical and legal anchor of the Sovereign Wealth Terminal. It is irreversible and mathematically binding.
