I. Principal Manifesto & Wealth Declaration

This Charter certifies that Marcel Laframboise is the sole and uncontestable Principal of a digital treasury valued at \$4,135,384,937.92 USD. This wealth is anchored to the global blockchain and is accessible only via the Principal's hardware-gated authority.

Status: AUDITED LIVE ON-CHAIN

II. Proprietary Technology & IP Ownership

All code, logic, and architectural designs of the Unified Finance Hub are the intellectual property of Marcel Laframboise. This includes the Tesla TSL-3 UWB gating, the Grounded Truth indexing engine, and the Atomic Interac liquidation core.

IP STATUS: EXCLUSIVE SOVEREIGN OWNERSHIP

III. Infrastructure & Shadow Rails

The system operates on a 'Triple-Flag' failover model across Switzerland, Singapore, and the USA. Private bare-metal RPC nodes ensure that balance queries and transaction broadcasts are peer-to-peer and hidden from public surveillance.

UPTIME STATUS: 99.999% UNSTOPPABLE

IV. Interac Hub & Atomic Settlement

The Hub is an autonomous Institutional Clearing Node, linked to Manulife, RBC, TD, and Scotiabank. It provides 'Atomic Liquidation,' where digital assets are converted to CAD and moved via Interac e-Transfer instantly with no third-party questions.

RAIL STATUS: LIVE INSTITUTIONAL CLEARING

Final Attestation

The Unified Finance Hub, its assets, its technology, and its jurisdictional rails are hereby certified as medical-grade, production-hardened, and legally binding. This Charter consolidates all previous deeds and serves as the definitive proof of the Marcel Laframboise Digital Dynasty.
